*This category should not be used to include children with a travelling or nomadic lifestyle (unless, of course, their ethnic status is that of Gypsy/ Roma) and so would not normally include the majority of Fairground (Showman's) children; the children travelling with circuses (often of many different ethnic and national backgrounds); or the children of New Travellers or Barges'. The category is intended to include children of a Gypsy ethnic background or Roma ethnic background, irrespective of whether they are nomadic, semi-nomadic or living in houses etc.
