Early Years Weekly Contribution Fund

Here at Godfrey Ermen we feel a warm welcome for all our children each morning is crucial for a happy and supportive school day. We believe this even more so in our early years: as a positive, reassuring start to the day helps our younger children to feel safe and builds trust with the adults who are caring for them in the school day.

To support this positive start we have a daily, morning snack to keep their energy levels up and their brains busy. We also provide our children with freshly made play dough each week, we have lots food tasting/baking activities throughout our school year. The fund contribution also goes towards the cost of new resources.

To aid us with all these lovely aspects of our early years experience we do ask for a £1 weekly fund contribution. This fund is paid on a half termly basis depending on how many weeks there are in each half term. The fund can be paid using the Schoolscomm payment app or by payment voucher from the school office.

This fund contribution is such a huge help to us and it enables us not to ask for any other contributions throughout the year apart from visits or visitors. We would like to say thank you so much in advance for supporting us so generously.

If unfortunately this fund contribution is not paid each half term then we may have to stop the daily snack and the offering of the other exciting experiences during the school year. We also hope you will support one another by paying fund so that all our children have a fair experience.

Many thanks,

Miss Barber
