

What to do if...	Action needed	Back to school...
<p>...my child has COVID 19 (coronavirus) symptoms</p>	<ul style="list-style-type: none"> • Child shouldn't attend school • Child should get a test • Whole household self isolates while waiting for test result • Inform school immediately about test results 	<p>...when child's test comes back negative provided they have been fever free for the 48 hours before returning to school, and feel well</p>
<p>...my child tests positive for COVID-19</p>	<ul style="list-style-type: none"> • Child shouldn't attend school • Child self isolates for at least ten days from when symptoms started (or from day of test if no symptoms) • Inform school immediately about test results • Whole household self isolates for 14 days from day when symptoms started (or from day of test if no symptoms) even if someone tests negative during those 14 days 	<p>...after ten days, once child feels better, and has been fever free for at least 48 hours</p> <p>They can return to school after ten days even if they have a cough or loss of smell/taste.</p> <p>These symptoms can last for several weeks once the infection is gone.</p>
<p>...somebody in my household has COVID-19 symptoms</p>	<ul style="list-style-type: none"> • Child shouldn't attend school • Household member with symptoms should get a test • Whole household self isolates while waiting for test result • Inform school immediately about test results 	<p>...when household member test is negative, and child does not have COVID-19 symptoms</p>
<p>...somebody in my household has tested positive for COVID-19</p>	<ul style="list-style-type: none"> • Child shouldn't attend school • Whole household self isolates for 14 days from day when symptoms started (or from day of test if no symptoms) even if someone tests negative during those 14 days 	<p>...when child has completed 14 days of self isolation, even if they test negative during the 14 days</p>

<p>...NHS Test and Trace has identified my child as a 'close contact' of a confirmed COVID-19 case</p>	<ul style="list-style-type: none"> • Child shouldn't attend school • Child self isolates for 14 days (as advised by NHS Test and Trace) even if they test negative during those 14 days • Rest of household does not need to self isolate, unless they are a 'close contact' too 	<p>...when the child has completed 14 days of self isolation, even if they test negative during those 14 days</p>
<p>...we/my child has travelled and has to self isolate as part of a period of quarantine</p>	<ul style="list-style-type: none"> • Do not take unauthorised leave in term time • Consider quarantine requirements and FCO advice when booking travel • Provide information to school as per attendance policy <p>Returning from a destination where quarantine is needed:</p> <ul style="list-style-type: none"> • Child shouldn't attend school • Whole household self isolates for 14 days even if they test negative during those 14 days 	<p>...when the quarantine period of 14 days has been completed for the child, even if they test negative during those 14 days</p>
<p>...we have received advice from a medical/official source that my child must resume shielding</p>	<ul style="list-style-type: none"> • Child shouldn't attend school • Contact school as advised by attendance officer/pastoral team • Child should shield until you are informed that restrictions are lifted and shielding is paused again 	<p>...when school/other agencies inform you that restrictions have been lifted and your child can return to school again</p>
<p>...I am not sure who should get a test for COVID-19</p>	<ul style="list-style-type: none"> • Only people with symptoms need to get a test • People without symptoms are not advised to get a test, even if they are a 'close contact' of someone who tests positive 	<p>...when conditions above, as matching your situation, are met</p>
