Staying COVID Secure – Our Commitment

- ✓ We recognise the risk posed by Coronavirus (COVID-19) to our staff, pupils and their families. Control measures to minimise the risk of infection and the transmission of the virus are provided in this Risk Assessment.
- ✓ We will put in place appropriate protective measures to ensure, as far as is reasonably practicable, the Health, Safety and Wellbeing of our staff and pupils.
- ✓ We will share this Risk Assessment and its findings with employees and consult on its contents.
- ✓ We will review this risk assessment regularly
- ✓ We will continue to comply with all relevant Health and Safety Legislation.
- ✓ We will have regard to statutory guidance in particular the guidance issued by the Department of Education regarding school reopening and implementing protective measures in education and childcare settings against COVID-19.
- ✓ We have regard to advice and guidance issued by Public Health England and Salford Public Health.

COVID-19: Operational risk assessment for school reopening

Please note: this risk assessment should be undertaken in conjunction with the guidance for schools Step 4 issued by the Department for Education (July 2021) as follows: [Schools guidance Step 4 update FINAL.pdf](#)

1. Stepping measures up and down					
1.1 Risk assessment					
Risks are not comprehensively assessed in the school to minimise and manage the risk from COVID-19,	Possible Major Risk: High	<ul style="list-style-type: none"> Comply with health and safety law and put in place proportionate control measures. Regularly review and update the risk assessments - treating them as 'living documents', as the circumstances in school and the public health advice changes. Monitor and review the preventive and protective measures regularly, to ensure the measures are working, and taking action to address any shortfalls. Share the results of their risk assessment with workforce. Share the risk assessment arents and other stakeholders the opportunity to 	Y/N/NA Y/N/NA Y/N/NA Y/N/NA Y/N/NA		Remote Severe Risk: Low
Outbreak in school / area becomes an area of enhanced concern	Possible Major Risk: High	<ul style="list-style-type: none"> Put in place an outbreak management plans outlining how school would operate if there were an outbreak in school or local area. The outbreak management plan is communicated with and understood by stakeholders. When required, work with Salford Public Health to implement the outbreak management plan. 2. Control measures					
2.1 Ensure good hygiene for everyone					
Pupils and staff forget to wash their hands regularly and frequently	Possible Major Risk: High	• Staff training includes the need to remind pupils of the need to wash their hands regularly and frequently to include start of school day, after using the toilet, after breaks and after using any shared equipment. • Posters and electronic messaging boards reinforce the need to wash hands regularly and frequently. • Pupils are reminded regularly on how to wash hands and young children are supervised in doing so. - building these routines into school culture. • School leaders monitor the extent to which handwashing is taking place on a regular and frequent basis. • Pupils should be encouraged where possible not to touch their faces or to put objects in their mouths.	Y/N/NA Y/N/NA Y/N/NA Y/N/NA Y/N/NA		Remote Severe Risk: Low
Pupils may not observe respiratory hygiene	Possible Major Risk: High	• Continue to promote the 'catch it, bin it, kill it' approach with all staff, pupils and parents. • Continue to promote the e-Bug COVID-19 website. It contains free resources, including materials to encourage good hand and respiratory hygiene.	Y/N/NA Y/N/NA		Remote Severe Risk: Low
Use of personal protective equipment PPE is unclear	Possible Major Risk: High	• Staff are clear that most schools will not require PPE beyond what they would normally need for their work. • Adhere to the guidance on the use of PPE in education, childcare and children's social care settings which provides more information on the use of PPE for COVID-19. • Ensure the guidance is understood and communicated to relevant staff. 2.4. Follow public health advice on testing, self isolation and managing confirmed cases of COVID-19					
An individual develops COVID-19 symptoms or has a positive test	Possible Major Risk: High	<ul style="list-style-type: none"> Ensure pupils, staff and other adults follow public health advice on when to self-isolate and what to do When to self-isolate and what to do - Coronavirus (COVID-19) - NHS (www.nhs.uk) Ensure updated guidance is communicated to all stakeholders and understood. Pupils and staff do not come into school if they have symptoms, have had a positive test result or other reasons requiring them to stay at home due to the risk of them passing on COVID-19. Promote testing for staff and pupils who have symptoms in line with guidance. Procedures are in place to deal with any pupil or staff displaying symptoms at school. Pupils and staff displaying symptoms should go home as soon as possible avoiding the use of public transport and, wherever possible, pupils will be collected by a member of their family or household. If a pupil is awaiting collection, they are left in a room on their own if possible and safe to do so. A window should be opened for fresh air ventilation if possible. Appropriate PPE should also be used if close contact is necessary, further information on this can be found Safe working in education, childcare and children's social care settings, including the use of personal protective equipment (PPE) (applies until Step 4) - GOV.UK (www.gov.uk) . 3. Other considerations					
3.1 CEV children					
Pupils with underlying health issues are not identified and so measures have not been put in place to protect them	Possible Major Risk: High	<ul style="list-style-type: none"> CEV children and young people should attend their education setting unless they have been advised by their GP or clinician not to attend. Parents have been provided with clear guidance and this is reinforced on a regular basis. Parents have been asked to make the school aware of pupils' underlying health conditions and the school has sought to ensure that the appropriate guidance has been acted upon.
