

# The Harbour @ GEMS - Artwork Competition

Dear Children,

I am writing because I would like your help with ideas for a new piece of artwork in school. We are going to create a new mosaic tiled picture in our 'Harbour' – the courtyard area at the heart of our school. Have a look at <http://www.gems-salford.co.uk/our-school/the-harbour> to see our plans. Please draw your design in the box below and send back into school by Friday 18th June—I can't wait to see your ideas!
