

# Knowledge organiser – Y1 SCULPTURE

## My Key Learning

Samantha Stephenson

Louise Bourgeois

Tree of life represents all of nature. Lots of cultures have stories about the tree of life.

Sidi Saiyyed Mosque

Gustav Klimt – The Tree Of Life

### What do I already know?

There are lots of ways to create shapes.

Clay and playdough can be rolled, twisted and pinched to make shapes.

Patterns can be made in playdough using tools.

We can cut paper to make new shapes.

Henri Matisse – The Snail

### Modelling with paper

### Think about:

Which shapes will you use?  
Which colours can you use?

Think about how you have used your sketchbook to create your design.
