## My Key Learning

### What do I already know?

Primary colours are red, yellow and blue.

Printing with different objects with different surfaces can create different patterns when dipped into paint.

Hues are pure colours and shades are colours that have been darkened with black.

Romare Bearden was an American artist. Art was his part time job and he saw that people were not always treated equally. He believed that everyone should have the same rights. His art reflected everyday life and his collages represented this.
