

Knowledge organiser – Y3 SCULPTURE

My Key Learning

Abstract art can be 2D or 3D. It uses shapes, forms and colours instead of recognisable images.

Barbara Hepworth is a sculptor. She was an abstract artist. She was born in Yorkshire.

Ruth Asawa was an American modernist sculptor. She uses wire to create her shapes and forms.

What do I already know?

HOW TO JOIN CLAY

- 1 SCORE
- 2 SLIP
- 3 STICK
- 4 SMOOTH

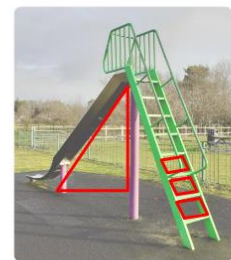

Sketching pencils are used in drawings to create light and shade.

Some pencils are softer than others.

Positive and Negative space

Positive space
(shapes in the play equipment surfaces)

Negative space
(shapes in the background spaces)

Key Vocabulary	Definition
abstract	does not look real
annotate	make notes to help thinking
found objects	objects that are already made that can be used in an image or sculpture
geometric	shapes and patterns with lines and angles
modernist	in a modern style
negative space	Empty space inside a sculpture
