

# Knowledge organiser – Y5 Painting & Mixed Media

## My Key Learning

### What do I already know?

#### Painting techniques

Tint: a colour that has white added to it

Shade: a colour that has black added to it

Artists are renowned for creating self-portraits in addition to portraits. Many artists used traditional media such as oil and acrylic paint and pencil, but some used techniques such as collage, etching, photo montage or printing.

Vincent van Gogh

Rembrandt

Chila Kumari Singh Burman

Portraits can be effectively achieved through the use of different media and techniques such as collage, use of photos in colour or black and white and cutting in different ways.

### Types of background:

outline

collage

paint wash

Key Vocabulary	Definition
art medium	Material or substance used to create artwork
background	Things that appear to be behind what is nearer or in front in a picture
collage	Cutting, arranging and sticking materials like paper, fabric etc to a background
evaluate	Deciding if something has been done in the best way and looking at what could be improved
justify	Giving a good reason for something that has been done
mono print	A print that can only be made exactly the same way once
represent	To stand in for something else
transfer	A picture that can be attached to a surface by pressing it against the surface and then rubbing it
