Unit overviews Year 3

Autumn	Spring	Summer
Textiles – Cushion	Cooking and Nutrition - Adapting a recipe	Structures - Castles
Lesson1: Mind Map Aim: Learn how to sew using a running-stitch. WINS: -Learn how to do running stitch. -Reflect on the technique used. Lesson 1- Full lesson **Lesson 2 and 3:** Aim: Design a product and its template. WINS: -Design a cushion -Use a paper template -Cut fabric accurately Lesson 2- Full lesson **Lesson 4:** Aim: Decorate fabric using a running-stitch. -Follow a design criteria -Use a running-stitch Lesson 3– Attention grabber and main event **Lesson 5:** Aim: Assemble and complete a cushion. WINS: -Join my fabric securely using stitches -Use my design criteria -Ensure my product is fit for purpose Lesson 4 – Attention grabber and main event. **Lesson 6**: Aim: Evaluate a final product WINS -Evaluate my work -Evaluate the works of others Individual photo with cushion – statements around the edge evaluating cushion and process. Mind Map recap and Assessment Question	**Lesson 1**: Mind Map Aim: Evaluate existing biscuit products WINS: -Describe different types of biscuits and their packaging -Identify the taste and texture of existing biscuits -Explain how I know a biscuit is made for a target audience. Lesson 1Attention Grabber and Main Event **Lesson 2:** Aim: Prepare and cook a dish. WINS: -Follow simple food safety and hygiene rules -Follow a recipe and use a cooking technique -Discuss how a recipe can be changed Lesson 2 - Full lesson **Lesson 3:** Aim: Select ingredients and follow a budget WINS: -Select ingredients for a target audience -Calculate the cost of extra ingredients -Create a design for the final product Lesson 3 – Attention Grabber and Main Event **Lesson 4:** Aim: Take inspiration from existing products. WINS: -Describe the packaging of different biscuits -Create a design for a biscuit box -Fold and construct a cuboid template Lesson 4 – Main Event and Wrapping up **Lesson 5:** Aim: Make and test a prototype biscuit WINS: -Follow a recipe	**Lesson 1:** Mind Map Aim: To recognise how multiple shapes are combined to form a strong and stable structure. WINS -Identify different features of castles -Design my own castle -Label the features of a castle -Explain why a castle needs to be strong and stable Lesson 1 – Full lesson **Lesson 2:** Aim: Design a castle WINS: Recall the features Add two design points to the design specification Draw the design of my castle using 2D shapes Label materials, colours, 3D shapes that will create the features. Lesson 2 – Attention Grabber and Main Event **Lesson 3:** Aim: Construct 3D nets WINS -Know that a net is what a 3D shape would look like if it were opened out flat. -Construct a range of 3D geometric shapes using a net. Lesson 3 – Attention Grabber and Main Event **Lesson 4:** Aim: Construct a castle WINS Construct my castle to meet the requirements of my brief Make 3D shapes using nets Adorn my castle with decorative features

	-Modify the recipe using my design ideas and budget Lesson 5 – Main Event **Lesson 6:** Aim: Evaluate a final product WINS: -Present my design for evaluation -Collect feedback from my target audience Lesson 5 - Wrapping Up section. Mind Map recap Assessment Question	Lesson 4 – Main Event **Lesson 5:** Aim: Evaluate a final product WINS -Evaluate my work -Evaluate the works of others Lesson 4 -Wrapping Up Mind Map recap and Assessment Question
Please note some of these lessons may take more than one session to complete and 'blocking' units into weeks is at teachers' discretion.
