Manchester is one of the major cities in the North of England. Manchester has links to Liverpool through the canal, railway networks and road networks.

Counties

England is divided in areas called counties. Greater Manchester is a county. Local counties neighbouring Greater Manchester are:

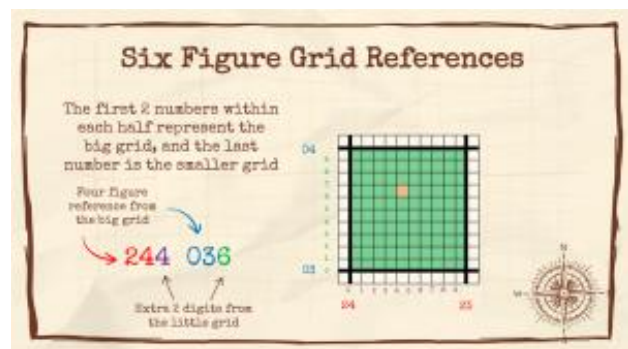

- Lancashire
- Derbyshire
- Merseyside
- Cheshire
- West Yorkshire

What do I already know?

- 4-figure grid references help to locate places on a map.
- The River Irwell is the major river in Salford. It helped to grow industry in Salford.
- Features of rivers include meander, delta, tributary, source, waterfall.
- The water cycle includes evaporation and precipitation.

Six figure grid references
