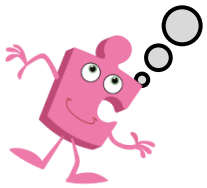
UNIT 3: Dreams and Goals

How can I overcome obstacles when working towards a goal?



My Key Learning

I will explore...

- The things that I have achieved and how it makes me feel
- My personal strengths
- Teamwork and how it can help me to learn
- How it feels to work in a group

Key Vocabulary	Definition
challenge	To take part in something that pushes you to achieve.
difficult	Something that needs hard work or more effort to achieve.
easy	Something that needs little effort.
partner	A person who is working with you on the same activity.
persevere	To continue to do something even if it is difficult.
problem-solve	Finding a solution to a problem.
product	Something that is made to be sold.
realistic	A sensible or practical approach to achieving.
strength	The ability to do something that needs a lot of physical or mental effort.

I will learn about...

- How to set a realistic goal
- How to persevere when a task is difficult
- Who I work well with
- How to work well in a team
- How to share successes with other people
