

Y4 PSHE Knowledge Organiser

UNIT 1: Being me in my world

My Key Learning

I will explore...

- How it might feel to be included and excluded from a group
- How I can make others feel welcome and valued
- How I can work cooperatively with my peers
- How to show care towards other people's feelings
- My choices in following the Learning Charter

Key Vocabulary	Definition
authority	The power or right to give orders, make decisions, and enforce obedience.
contribution	Something that you add or do to help produce or achieve something together, with other people, or to help make something successful.
democracy	This means rule by the people. In a democracy people elect the government by voting and have a say how it is run.
democratic	Relating to or supporting democracy or its principles.
excluded	To prevent someone or something from entering a place or taking part in an activity.
included	To allow someone or something to enter a place or take part in an activity.
job description	An account of the skills and qualifications needed to perform the tasks of a particular job.
observer	Someone that watches rather than takes part.
rights	Something you should expect to have automatically e.g. a right to come to school.
UNCRC	United Nations Convention on the Rights of the Child

I will learn about...

- How to use my Jigsaw Journal
- How my attitudes and actions make a difference to others
- How I and others fit into my school community
- What democracy in school means and how to make my school a happy place
- How to work well with others
- What it means to empathise with others
