Y5 PSHE Knowledge Organiser

UNIT 1: Being Me in My World

How does my world compare to other children's worlds?

My Key Learning

I will explore...

- What is important to me and what I value
- What it means to show empathy towards others
- How I can work cooperatively with my peers
- How to show care towards other people's feelings
- My choices in following the Learning Charter

Key Vocabulary	Definition
asylum	Protection given to someone who has left a place to seek a safer country elsewhere.
conflict	A struggle, battle or disagreement.
deprive	To prevent someone from having something.
empathise	To be able to understand how someone else feels.
migrant	Someone who chooses to move mainly to improve their life or seek work.
persecution	Unfair or cruel treatment because of someone's race, religion or belief.
prejudice	An unfair and unreasonable opinion, formed without enough thought or knowledge.
privilege	An advantage that only one person or group has because of their position.
refugee	Someone who has been given the right to stay in a country because they are unsafe in their home country.
vision	An idea or mental image of something.

I will learn about...

- How to use my Jigsaw Journal
- How to face challenges positively
- What it means to have rights and responsibilities
- How everyone has the right to learn
- The affect that choices can have upon rewards and consequences
- How to work well with others
- The positive benefits to democracy and having a voice
