Reflections 2021-2022

This year we have continued to focus on embedding and enhancing the REAL P.E. and Gym curriculum, we have also made moves to further enhance the curriculum by purchasing enough specific sports equipment so that all pupils can fully participate. The physical well-being and in turn the emotional well-being of our pupils following our return to school after the Covid19 lockdowns of 2020 and 2021 was of paramount importance, we ensured that there was more daily physical activity for all pupils which required us to heavily invest and replenish PE equipment. We have continued our commitment to outdoor

provision by releasing our Forest School Lead weekly to lead offsite sessions and also invested in training key members of staff in Outdoor Education Leadership in conjunction with the Laurel Trust. This is integral to our 'Thrive' approach and will help us to enhance self-esteem whilst pupils enjoy outdoor physical activity. As we look forward to 2022-2023 we will strive to ensure all new staff continue to be supported and trained in the way we deliver PE and Sport at Godfrey Ermen and seek to once again offer wider opportunities through the resumption of extra-curricular activities.
