Dear Families,

Key Stage 2 Actions have Consequences Workshops

On Monday, 17th July we will be hosting a series of workshops for some of our Key Stage 2 children. They are being led by Greater Manchester Police and help children to learn about the world around them and how to deal with challenging situations. The focus for the session is on "educating today's pupils for a better tomorrow".

We are really lucky to have these sessions in school this term and are looking forward to welcoming the team into school. The sessions are fun and interactive but will focus on issues that have been affecting our children in and out of school.

The children will work in workshops that are suited to their year group so they will be able to ask questions and think about particular issues that affect them, including online behaviour. The children will also have the opportunity to meet with local policing teams so that they get to know key people in the community, which will be particularly useful as we head into the Summer holidays.

We are looking forward to these sessions and are confident that the children will find them useful and enjoyable.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'J Kinch', enclosed in a white rectangular box.

Miss Kinch
Headteacher
