## Online Safety Consent Form

All pupils use computer facilities including Internet access as an essential part of learning, as required by the National Curriculum. The rules set out below are part of our Online Safety Policy which is in place to help provide a safe environment for your child to explore the World Wide Web.

Please read and discuss the online safety rules with your child. The consent form should be signed by both pupil and parent/carer.

### Think then Click

These rules help us to stay safe on the Internet

We only use the internet when an adult is with us

We can click on the buttons or links when we know what they do.

We can search the Internet with an adult.

We always ask if we get lost on the Internet.

We can send and open emails together.

We can write polite and friendly emails to people that we know.

### GEMS Learning Platform Netiquette

Only leave positive comments on the discussion board. Do not be critical of the other comments or other children's work.

Never engage in a 'flame war' - that is a shouting match through text conducted between 2 or more people.

Never send an email in capital letters. That is considered to be shouting on the Internet.

Never put personal information, such as your address or phone number, on the discussion board.

Never say nasty or untrue things about others or use inappropriate language (swear words). These remain on record long after you have posted it!
