

Salford holiday

fun

Dear Parent,

It is that time of year when you can access a great holiday activity for your child as part of our Salford Holiday Fun programme. There is so much fun to be had with skateboarding, arts and crafts, trips, circus skills, sports, baking and much more! All our holiday activities include a meal and snacks to keep the children refuelled throughout the holidays. This year we have free places for children eligible for benefits related free school meals, and a range of paid places too.

To see what's available and to book your child's place go to this link:

www.salford.gov.uk/HAF

Or scan this QR code and it will take you straight there:

We look forward to seeing your child as part of Salford Summer Of Fun!
