Thursday 15<sup>th</sup> February

Dear Parents and Carers,

In the Spring Term, we would like to arrange an exciting wow experience for your child, visiting Lytham St Annes Beach and taking part in a Beach School workshop.

We have booked this visit for Thursday 21st March.

The visit will involve a workshop exploring the different geographical features of the British coastline. We believe that this will be an important learning opportunity that will lead to lots of follow-up geography work and writing afterwards. We also promise to take many lovely photographs to share with you! **Please note that the children must wear wellies on this trip.**

We are mindful that the cost of living is rising, however it is an important element of our geography curriculum and we would like the children to benefit from this off-site opportunity.

In order to proceed with the booking of the visit, we would like to ask for a contribution of £20.40 per child from parents and carers due by Wednesday 20<sup>th</sup> March.

We would be very grateful if you could return the slip below, so that we know you that agree to the £20.40 contribution towards the visit.

Thank you for your continued support,

Mrs Dearing  
Phase 2 Leader

Please return to your child's Class Teacher
