Dear Parents/Carers,

Happy New Year and welcome back to school!

Following our OFSTED inspection in November, we have now received our final report which we are sharing with you today. This report will be published on the OFSTED website in 8 days' time.

The report explains what the inspector saw, who the inspectors spoke to, what school does well and how school is supporting your children. The report also says what we need to do next to build on the work that is already in place.

Should you wish to receive a hard copy of the report, please contact the school office.

If you have any questions about the report, please do not hesitate to contact myself via the school office.

Thank you for your continued support – it is much appreciated.

Yours sincerely,

A handwritten signature in black ink that reads 'J Kinch'.

Miss Kinch
Executive Headteacher
